This month's Your Money Matters newsletter features some tips on budgeting after a divorce, how your credit score compares to the rest of the country, what could happen if you invested instead of buying more stuff, and the true cost of raising a child. Hope you enjoy, and as always, reach out with any questions. Have a great day!

### Budgeting After a Divorce

Divorce is the second most stressful time in a person's life. Here's some tips to get through it.
